	A copy of admission letter and/or copy of current class schedule		Transcript from the nursing degree-granting college or university			
	One character-based letter of recommendation from		Most recent performance evaluation (HR will provide			

Review and Selection Process

A selection committee will review all applications and invite top candidates for an interview. In addition to the application package, Excellence in Nursing Scholarship Program candidates will be evaluated competitively based on past performance evaluations, length of service and potential employment in a current or future health care position. *Incomplete or late applications will not be considered.*

Successful Candidates

Candidates selected as potential recipients will be notified one month from the date of the application deadline.

After formal review and interviews, the selection committee will announce the scholarship recipients. If offered a scholarship, you will be required to sign a Scholarship Agreement and remain an employee in good standing while participating in the scholarship program. Conditions of the Agreement are as follows:

Recipients must maintain employment with UCHealth in Southern Colorado for two years following receipt of the scholarship. As an employee-at-will, you agree to reimburse UCHealth Memorial Foundation the value of the scholarship if your employment is terminated before the two-year period for any of the following reasons: (1) unsatisfactory performance; (2) violation of a UCHealth policy; (3) voluntary resignation. For each full month worked following receipt of the scholarship, UCHealth Memorial Foundation shall forgive 1/24 of the total amount owed under the terms of the Signing Agreement.

This is an annual scholarship program. To be eligible for subsequent years, candidates must reapply each year. UCHealth in Southern Colorado employees in good standing are eligible to apply for this scholarship each year while enrolled in a nursing degree-granting program.
